### Student Handout Ages 6-9

# Ways to help others:

Skills:	
Hobbies:	

People around us who could use positivity

### Parent Handout Ages 6-9

Today your child participated in a motivational engagement event where they learned about how everyone is special. They received a motivational wristband as a reminder to stay positive and that they can make a positive difference. Ways to help others was discussed and students shared examples of ways they can help others. A focus of the event was on how everyone has different hobbies & skills and ways to use individual interests to help people. Please look for ways that your child can help at home and in the community by spending time together to find ways to volunteer or assist neighbors. Simple acts of helping the elderly take the trash can to the curb or taking their dog for a walk is a small act that makes a huge difference.

#### **Mission Statement:**

To inspire today's youth to make a positive difference in the world around them.

Motto:

Who you are matters and what you do matters.

#### **Nonprofit Activities:**

Provide motivational speaking to youth organizations on ways they can use their skills, talents & abilities to help others. Teach the importance of how one person doing a small act of kindness could make a huge impact on others. Two free community events are produced every year as examples of putting positivity out into the world.

Birthday Fundraiser
Inc. is an approved
501(c)3 verified
nonprofit with
PayPal & Venmo.

The Positive Difference Organization started in 2021 as a birthday fundraiser to set an example as a way to use our birthdays to make a positive difference. The huge support and outcome of the first event inspired Nikki McFarling to turn her passion into an official 501(c)3 nonprofit and it is now registered in the state of Florida as Birthday Fundraiser Inc while having a DBA Positive Difference Organization.
